

# Partner DevOps Forum, CiscoLive, LV - DevOps Quiz Winners!

It's been roller coaster ride for last couple of months after and did not get a chance share with the community about the DevOps Quiz Winners we had at the Partner DevOps Forum, CiscoLive, Las Vegas. So, we had over 100+ Partners attended the action packed event and also participated in the DevOps Quiz. The 5 winners were of the quiz were:

Michel Cousineau – Bell Canada

Mark Terrill – Presidio

Shahzad Shah – Netnuvem

Steve Studsdahl – OneNeck

Dimitry Chestnov

On behalf of entire Partners organization we congratulate the top five winners of the DevOps quiz. As a token of appreciation we have send them gift cards. Looking forward for your continued support and collaboration as we build the partner eco-system around these strategic base-line capabilities.

Keep learning and selling!
